

The background of the poster features three glowing jack-o'-lanterns (pumpkins) with carved faces, set against a dark blue night sky filled with numerous small, light-colored stars. The pumpkins are illuminated from within, creating a warm, orange glow. The central pumpkin is the largest and most prominent, with a face that has large, circular eyes and a jagged, toothy mouth. To its left and right are two smaller pumpkins, also with carved faces, partially visible.

ARRINCADEIRA

RIORTORTO
